The San Antonio KKG Foundation has selected SAREads as the beneficiary for Tablescape 2017 and 100% of the proceeds from the event will go to them. SAREads is a project of Literacy San Antonio, Inc. to successfully teach children to read by empowering teachers in high-poverty schools to use science-based reading instruction (SBRI). This nonprofit organization excels at building partnerships to unite school administrators, parents, teachers, future teachers, university faculty, and the community in order to help students learn to read.

Tablescape 2017 is a two-day event that begins on November 13 with an evening Wine Reception at San Antonio Country Club attended by over 200 guests. The Table Viewing and Luncheon is the following day and attracts over 400 guests. This year, we have secured approximately 40 of the most talented and creative designers who will, no doubt, create some of the most beautiful tablescapes our guests have seen. In addition, our featured speaker at the luncheon is Mark D. Sikes, a Los-Angeles based interior designer who has written the *New York Times* bestselling book, "Beautiful: All-American Decorating and Timeless Style."
